Why be on a competition team?

- Improve your dance technique.
- Participate in fun competitions and performances – including Lagoon!
- Perform in awesome dance numbers that are moving, memorable, and fun!
- Learn to express yourself, develop self-confidence, and develop your creativity.
- Form lasting friendships.
- Learn grace, coordination, control.
- Develop a beautiful talent that can touch others lives including your own.
- Learn confidence, character and team building skills. Cheer on your fellow team mates. Learn to win gracefully and to give credit to others for their part in your success.
- Learn work ethic, the satisfaction of meeting a goal, keeping a commitment and building up others around you.
- Increase coordination, flexibility, muscle tone and strength. Being in good shape physically gives you more energy, clears your mind, and even helps you do better in school!
